Welcome to the Tigard High School Department of Theatre Arts Sponsor Program. Each year we ask businesses, families and friends to sponsor our three theatre shows, and this year includes our bi-annual musical! With your support, we can purchase the little things that help create theatre magic. Sponsorships help our department underwrite the cost of shows (which range between \$7,000 - \$20,000 per show), ensuring there is a constant stream of high-quality performances and events for the Tigard community. One hundred percent of your donation is used to support student work in the theatre department, including, but not limited to, the following theatre essentials:

- Set design and construction materials
- Lighting and Sound equipment
- Licensing fees to perform copyrighted works
- Costumes, Props and Stage Make - up
- Programs and posters

Business sponsors who advertise in our playbills will have their ad in the hands of 300 to 500 theatre goers per performance--or up to 2,500 people per production. Most of our audience is in Tigard, Tualatin, Beaverton and Sherwood. We are a local institution with a local audience, and we hope that local businesses will see the mutual benefit in purchasing advertising in our playbills. Ads and "shout outs" will run in all three mainstage productions we perform each school year.

To become a Tigard High School Department of Theatre Arts Sponsor, please consider one of the Sponsor Packages we offer in our show playbills or if you prefer, you can simply donate to the theatre program. Whatever you choose, we are grateful for your generosity and support. This year, we would like to encourage you to use our online Google Form and make your payment online. Or if you prefer paper, complete the attached form and return it to us via mail or email, and we will coordinate delivery of your benefits. Examples of the packages are included for your consideration.
